

On January 27 at 6 pm,
join **SLAC scientist** and **PBR**
(Pushing the Battery Revolution) expert
JOHANNA NELSON WEKER
at **THE OLD PRO** in Palo Alto
to find out **what happens when:**
A BATTERY walks into a **BAR...**

We're your friendly neighborhood national lab, bringing science to the Bay Area for over 50 years. Have a drink (no host - what'd you expect), learn about who we are and even do some science of your own.
