

What on earth do **MASERATIS**,
ICE HOCKEY and **CORGI PUPPIES**
have to do with **TELESCOPES?**

Find out from SLAC engineer
(and corgi enthusiast)

MARGAUX LOPEZ

on April 30 at 6 pm at **THE PATIO** in Palo Alto

We're your friendly neighborhood national lab, bringing science to the Bay Area for over 50 years. Have a drink (no host - what'd you expect), learn about who we are and even do some science of your own.
